Consent to Contact Trace

In order to facilitate contact tracing by public health agencies in the event of a possible exposure or outbreak of COVID-19, the WSIAT will temporarily collect the contact information of persons attending at the WSIAT's offices. The provision of contact information is encouraged by public health agencies and is voluntary.

Contact information will be collected when you check-in for your hearing. This information will be used to notify you in the event of a possible exposure or outbreak and to assist public health agencies in tracing contacts of COVID-19 cases.

Your personal information will be stored in a safe and secure location for 28 days – a duration equivalent to two COVID-19 incubation periods – at which time it will be permanently destroyed.

I consent to my personal information being collected, used and disclosed for the limited purposes and in the manner described above:
